THE ARMY AND THE SOLDIER'S FIRST CHOICE

Bldg. P-10000, Hays Hall, Division HQs.

Garrison mission statement: Provide equitable, effective and efficient management of Fort Drum resources to support readiness and mission execution of combat-ready forces, while providing for the well-being and security of Soldiers, civilians and family members; improving infrastructure and preserving the environment.

Garrison vision: Maintain Fort Drum by creating the best place to live and work; home to a world-class trained and ready force while being a committed neighbor to the North Country. Fort Drum is the Army and Soldier's first choice.

WELCOME

Welcome to Fort Drum, home of the 10th Mountain Division (Light Infantry), located in northern New York's picturesque North Country.

This installation is in the middle of one of the most historically unique and geographically beautiful areas of the United States. Fort Drum is approximately 30 miles from Canada, with the Great Lakes to the west, the Adirondack Mountains to the east, and the St. Lawrence River and Thousand Islands in between.

Surrounding the installation, the tri-county areas of Jefferson, Lewis and St. Lawrence are rich with history, tradition, culture, and tourism opportunities.

Where We Are

Driving Directions

Fort Drum is approximately 70 miles north of Syracuse and 10 miles from Watertown. You can find Fort Drum via New York State thruway I-90 and I-81. Follow Interstate 81 North towards Watertown. Get off at Exit 48, just past mile marker 157. Bear right on exit ramp onto Route 342 East. Proceed on Route 342 East for 4.1 miles to the intersection of Route 342 and Route 11.

At the traffic light, turn left onto Route 11 North. Proceed 1.3 miles to Gate #3, (North Gate) on your right. Enter Fort Drum. The visitors' center is just before the access gate on right. After hours, visitor passes are issued from the access control building at the gate area.

Directorate of Emergency Services and Military Police Station on Mount Belvedere Blvd.

By Air

Air travelers arrive at Hancock International Airport, Syracuse. Look for the Fort Drum information sign, which includes information about Greyhound Bus schedules and hotel accommodations.

Air transportation is also offered from the Jefferson County International Airport in Watertown, five miles west of downtown Watertown on NYS Route 12E. The facility offers free parking and vehicle rental service.

By Bus

A commercial Greyhound bus terminal is located at 540 State Street, Watertown, (315) 788-8110.

Thousand Islands Bus Lines operates daily round-trip service between Watertown and Ogdensburg with stops in Clayton and Alexandria Bay. Schedules for both lines are available at the Greyhound terminal.

Operator

Call the Fort Drum operator at (315) 772-6011 to reach a post operator who can connect callers with any office on the installation.

In-Transit Emergencies

If an emergency arises while Soldiers are on their way to reporting in, Soldiers must call 10th Replacement Company (800) 661-7158 or (315) 772-7529 and let them know the nature of the emergency.

Any Soldier who cannot arrive on his/her reporting date and doesn't call may be considered to be absent without leave.

Reporting In

All active-duty Soldiers arriving for assignment at Fort Drum must report to the 10th Replacement Company, Clark Hall, for in-processing before assignment to a specific unit. Our expanded in processing consists of installation orientation, activity in-processing, TA-50 issue, and deployment-readiness screening.

Staff will assist in resolving any problems that may arise. If help is needed, call (315) 772-6140/9705, 1-800-661-7158 or 1-800-826-0886.

Welcome Packet & Tour

Army Community Service is ready with welcome packets and community information to assist in making each move as smooth as possible. A lending closet is also available to fill in forgotten items until household goods arrive.

A Welcome Tour runs from ACS at Fort Drum every Wednesday from 9:30 a.m. - 3 p.m. The tour covers post and our local city of Watertown, and is a great way to get to know other new people.

A Soldier's family welcomes him home.

Temporary lodging can be found at the Fort Drum Inn.

Lodging

Temporary lodging is available at The Fort Drum Inn.

Permanent change of station and Temporary Duty reservations may be made up to six months in advance by calling 1-800-826-0886, ext. 8154 or (315) 772-8154 or (315) 773-7777. DSN prefix is 772. Visitors may make reservations two days in advance and can get a room if space is available. Rate information is available upon request.

This facility, primarily for PCS moves, has 111 rooms equipped with microwaves, coffee makers, refrigerators, telephones with free local calls, in-room Internet access and cable television. Features include a laundry area, business center, outside playground and playroom. Children's toys and equipment make the playground and playroom a haven for hassled parents.

Housekeeping services are provided on a daily basis. Personal guest amenities may be obtained at the front desk.

There is a continental breakfast and fresh coffee offered daily. Snacks, microwave foods, ice cream, and soft drinks are sold at the front desk.

Recycling is important and enforced on Fort Drum. Recycling containers are provided in each room.

The Army Lodging Staff is dedicated to quality and customer service. They can recommend restaurants, provide directions, and answer questions about the area.

Additional information ranging from school bus schedules, restaurants, clubs, transient-dining facilities and area maps are available from the concierge or the front desk.

Adults must accompany children under the age of 12 when in the facility. There is an indoor playroom and outside play area.

Pets are not allowed in parked vehicles or inside the Inn, with the exception of trained handicap-aid dogs and military police working dogs. Kennels are available, for a fee, for PCS guests only. For guest convenience, lists of local off-post kennels and veterinary services are available. Statements of non-availability will NOT be issued based on availability of pet kennels.

Laws and Regulations for NY & Fort Drum

New York State and Fort Drum may have some laws and regulations that differ from other places military service members,

A local farmer's market takes place once a week in Watertown from May through October.

civilians and their families have served. Following is some helpful information. Contact local law enforcement agencies for further details.

Bicycle Helmets

New York State Law requires all children under the age of 14 to wear a helmet when riding a bicycle. All personnel riding a bicycle on Fort Drum must wear a bike helmet.

Motorcycles, Mopeds

There is a mandatory motorcycle safety-training requirement prior to riding or registering a motorcycle on post. Service members must attend the Army Motorcycle Safety Course (AMSC) before operating a motorcycle or moped on or off post, on or off duty, regardless of whether the motorcycle/moped is registered.

DoD civilians must complete the AMSC prior to riding or registering a motorcycle or moped on a government installation. This is mandatory.

Riders must wear the following equipment: Department of Transportation approved helmet properly fastened under the chin; eye protection (glasses, goggles or face shield); over-the-ankle shoes or boots; and a high visibility reflective garment or device (the yellow safety belt used for PT is acceptable).

Each motorcycle must be registered and insured. Each driver must, at a minimum, have a learner's permit or motorcycle license. All motorcycles must be able to pass a NYS inspection. Permit holders must be escorted by a licensed driver or arrive with bikes in tow. This is a New York State requirement.

Contact the Command Safety Office for more information, 772-5352.

Off-road, Recreational Vehicles

Fort Drum Regulation 420-3, *Hunting, Fishing, Trapping and Camping* outlines the use of snowmobiles on Fort Drum. Trappers are allowed to use snowmobiles in training areas during the trapping season. However, trappers must follow check-in/check-out procedures and possess both a valid NYS trapping license and a valid Fort Drum Recreation Permit and Access Pass.

Snowmobiles are authorized for recreational riding in training areas 7E, 7F and 7G south of NYS Route 3-A. Riders must wear snowmobile helmets and stay on designated, marked trails. They will also follow all check-in/check-out procedures and possess a valid Fort Drum Recreational Permit and Access Pass.

All snowmobiles must have valid liability insurance and NYS registration. Snowmobile use in the cantonment area is prohibited.

Fort Drum Recreation Permits and Access Passes are available year-round at the Natural Resources Permit Office, Bldg. S-2509, on Route 26 between Great Bend and Wheeler-Sack Army Airfield. Call 772-HUNT (4868) or visit the Fort Drum Fish & Wildlife Management Program website (URL below) for current permit office hours of operation.

For more information, call Fish & Wildlife Management Program, (315) 772-9636/4999.

Parking

Parking is prohibited that impedes the flow of traffic, especially within 20 feet of any entrance of a fire station, crosswalk or intersection. Parking is prohibited on the side of the road facing oncoming traffic.

As a general rule there is no parking on grassy or seeded areas, unless specifically authorized by Public Works or Garrison Commander. That may occur November through April, if overflow-parking areas are not provided or are full. If vehicles are parked on seeded areas and there is damage, vehicle owners are responsible for reseeding or repairing the area.

There is no parking in fire lanes, within 15 feet of any building or fire hydrant, on sidewalks and railroad tracks or on roadways in any housing complex from November 1 through April 1, to allow for snow removal.

Privately Owned Weapons

In New York it is a criminal offense, punishable by a year in jail and a \$1,000 fine, to possess a privately owned handgun in your residence, vehicle or on your person unless you have been issued a New York State pistol permit. The only exception is for unloaded antique and replica muzzle loading pistols and cap-and-ball revolvers.

Handguns may be brought to Fort Drum from an overseas assignment if they are shipped with household goods or hold baggage shipment as authorized by AR 55-71, Chapter 13. However, upon arrival to Fort Drum, handgun owners must contact the Military Police at 772-5156 or 772-5157, and let them know handguns are coming. When the shipment arrives, notify the Jefferson County Sheriff's Department at 786-2711. Provide them weapon information (i.e. type, caliber, and serial number) and follow their instructions. Until they are properly registered, handguns must be stored in unit arms rooms.

Skiing is plentiful in upstate and Northern New York.

While there is no requirement to register rifles and shotguns in New York, there is a requirement to register them, and other dangerous weapons (i.e. pellet and BB guns and any other weapon that fires a projectile to include bows) on Fort Drum, and if you live in off-post Army housing.

Skating

When it comes to in-line skates, roller skates and skateboards, rules and regulations differ.

The New York Vehicle and Traffic Laws do not have legislation regulating their

use and therefore use pedestrian guidelines. For example, the skater skates facing traffic and does not interfere with the flow of traffic. Jefferson County Sheriff's department enforcement is the same. Watertown City Police enforce a city code that restricts use of skates on sidewalks.

On post, Military Police enforce Fort Drum Regulation 190-2, which restricts use of roller skates and skateboards to unoccupied sidewalks, pathways, outdoor tennis and basketball courts, parking lots and Main Street from Lewis Avenue to NYS Route 283, which is closed to motor vehicle traffic.

The Fort Drum commissary.

In-line skates are authorized on roadways with the use of proper safety equipment (protective helmet, knee pads and wrist pads, and a high-visibility garment with reflective material front and back).

All forms of skating are considered recreational sports or fitness enhancers, and not a means of transportation. Local traffic and safety requirements are the best guide.

Traffic Regulations

Car safety seats for children—New York State law requires all children under the age of four to ride in safety seats. The law requires that all children age four, five or six ride in child restraint systems. Safety seats and child restraint systems must be certified according to Federal Motor Vehicles Safety Standard 213.

Cell phone usage—New York State has passed a law that does not allow you to use a hand-held mobile telephone while you drive. If you use a hand-held mobile telephone while you drive, except to call 911 or to contact medical, fire or police personnel about an emergency, you can receive a traffic ticket and pay a maximum fine of \$100 and mandatory surcharges of \$50.

License & registration—New York State law requires that all individuals operating a motor vehicle in the state be properly licensed to drive a motor vehicle. However, if an individual has an expired driver's license, certain states do have military extensions for state residents. Check with the Military Police at 772-5156 if you have questions.

Law for all motor vehicles operating in New York State requires vehicle insurance.

Members of the military are not required to register cars in New York State, as long as they hold a valid registration from another state. New York State does not acknowledge USAREUR drivers' licenses as being valid for motor vehicle operation. Also, drivers have 45 days to obtain New York registration if a car has Status of Forces Agreement (SOFA) license plates from overseas.

It is Fort Drum policy that all vehicles of assigned and attached personnel must maintain a valid state inspection certificate, which may be from the state where the vehicle is registered, or New York State. If the state in which a car is registered does not have an inspection program, 15 days are allowed to get a New York State inspection sticker. These can be obtained at the Auto Craft Center or any other licensed inspection station.

Seat belts—All front-seat passengers must use seat belts. All rear-seat passengers under the age of 16 must be restrained by a safety belt.

Speed limit—The installation speed limit is 25 mph, unless otherwise posted. All vehicles must slow to 10 mph when passing troops in formation.

Windshield wipers—When windshield wipers are used due to inclement weather, headlights must be on.

Vehicle Registration

Fort Drum requires all vehicles belonging to personnel who work, reside, are employed by Fort Drum, or frequently use post facilities to be registered and display the DoD sticker centered on the middle of the windshield.

Young and old will enjoy the beautiful autumn in the North Country.

Anyone who arrives with a sticker is only required to re-register with Fort Drum and keep that sticker.

Registration can be completed at the North Gate entrance of post, off NYS Route 11. Bring all proper paperwork.

If you are registering a vehicle owned by someone else and you drive it to work, you need either a power of attorney or a notarized written statement giving you permission to drive the vehicle.

Tips for Driving in Canada

It is easy to visit Canada from Fort Drum, but it is a foreign country and you must have proof of United States citizenship when crossing back and forth. Foreign-born individuals need to carry a copy of their naturalization certificate if they have become a U.S. citizen. If not, a passport and current United States Visa is required.

***NOTE:** If you are a Soldier assigned to Fort Drum you will need a signed DA Form 31 prior to going to Canada (ref: AFZS-CG, Policy Memo #48, Pass Policy, 25 Mar 03).

Additionally, you will need to have attended a Canadian Country Briefing prior to travel. The Installation Security Office provides country briefings monthly on the 3rd Thursday of each month. Civilian employees and family members are encouraged to attend this briefing.

The Mark W. Clark Consolidated Soldier and Family Support Center opened in 2002. It is a one-stop in- and out-processing center.

A Soldier reunites with his family upon returning from deployment.

Travelers are required to have a "Non-Resident, Inter-Province Vehicle Liability I.D. Card" when driving in Canada. These can be obtained through your insurance company. Anyone stopped by Canadian law enforcement must present a valid driver's license, vehicle registration, and proof of current liability insurance.

Remove any radar detectors from vehicles before crossing the border. They are illegal in Canada and, if found during a check of a vehicle, will be confiscated, destroyed, and drivers will be subject to a stiff fine. A DoD directive also makes radar detectors illegal on post.

Speed limits and distances in Canada are posted in kilometers (1 km = 6/10 of a mile).

AIR FORCE IN-PROCESSING

Newly arrived U. S. Air Force personnel with orders to 20th ASOS must report to the 20th ASOS Command Support Staff, Bldg. T-4808 George St., with their sponsor if available, for in-processing. If the member arrives on a holiday, down day, or weekend, then the member will report the following duty day to sign-in/in-process. If the member arrives at the unit earlier than planned, the member will inform his/her sponsor and/or contact the 20th ASOS at (315) 772-0412/0729 or DSN 772-0412/0729.

All newcomers will report to the unit in uniform. If any circumstances arise that prevent or delay you from reporting on time, contact your sponsor and the Command Support Staff.

OFFICIAL FORT DRUM PT/RUNNING MAP

The IPFU is the only authorized uniform for soldiers participating in unit or individual fitness during Fort Drum PT period (0700-0800, Mon-Fri); this applies to soldiers on/off duty, on pass or leave. **As of 26 January 2005**

All quarters meet or exceed the minimum net floor space required by regulation.

HOUSING

The staff at the Fort Drum is committed to making your stay as pleasant as possible by helping you obtain housing and providing a full range of property management and maintenance services for your home. There are generally three options for homes in the Fort Drum region:

- (1) On-Post - Fort Drum Mountain Community Homes (FDMCH)
- (2) Off-Post - Army Leased Homes
- (3) Homes/Apartments on the Market

There are 2,272 homes on-post in four communities: Adirondack Creek, Monument Ridge, Rhicard Hills and Crescent Woods. The Welcome Home Center staff in Clark Hall will walk you through your options and help you find a home that suits your needs.

Army Community Housing (ACH) provides 2,000 homes in 13 neighboring communities, ranging from Lowville at the foothills of the spectacular Adirondack Mountains, to Clayton on the St. Lawrence River.

A Resident Service Coordinator (RSC) will provide one-on-one counseling on the various housing options available at Fort Drum. The RSC can provide floor plans that detail room sizes and the layout of the home.

After this initial counseling, you will either be offered a home, if one is available, or added to the Fort Drum Housing Waiting List. A cornerstone of FDMCH (on-post housing) is decentralized property management services. When you are offered a home on-post, you will go to the Community Management Office located in the neighborhood, meet the Community Manager and be given a tour of the prospective home. When you are offered an ACH (off-post) home, you will be directed to the ACH Office for further assistance.

After touring the home, you will have the option of accepting it or rejecting it. If you reject it, you will maintain your spot on the Waiting List until another home meeting your needs becomes available. If after touring the second home you decline it, you will lose your spot and go to the bottom of the Waiting List. You will have up to 24 hours to accept or reject the homes.

Each home is furnished with a refrigerator, range, garbage, dishwasher, disposal and electric hook-up for a washer and dryer. Air conditioners will be installed over the next year in every on-post home. Air conditioners are not supplied in off-post homes, but can be approved on a case-by-case basis. Every home has a garage, attached or separate, from the housing unit providing storage for a vehicle and other outdoor items. Over the next couple of years FDMCH will install garage door openers for all on-post residents.

Residents are allowed to have a maximum of two domestic pets (i.e. dogs/cats). Exotic animals such as ferrets, snakes, and tarantulas are not authorized at any time in FDMCH or ACH homes.

Occupants are responsible for any damage their pets cause in or around their home. Since many homes have carpeting, this may influence your decision on bringing your pet to Fort Drum.

Lawn Care & Snow Removal

While a fair amount of snow is normal, all major roads into Fort Drum are well maintained. Northern New York road crews, along with Public Works crews, are veterans at snow plowing and removal and their equipment are modern. Winter driving does require different skills, but it is not difficult to get around.

Occupants are responsible for removing snow from their driveways and walkways. FDMCH has snow blowers available for residents on-post; Directorate of Logistics provides snow blowers to off-post residents. FDMCH will snow plow the streets, bus stops and overflow parking areas on-post. FDMCH maintains all grass areas around the home except for the area in your personal fences.

There are several AAFES mini malls and shoppettes on post.

Rendering of a planned Community Center

Off-post residents are responsible for mowing the lawn up to 50 feet around their home. Lawn mowers can be rented through Outdoor Recreation Services, at 772-5169.

Management & Maintenance of FDMCH Home

Each community will have a Community Manager, an Assistant Community Manager, RSCs and Maintenance staff. Your Community Manager will be responsible for the upkeep of the property including the homes and common areas.

They will be responsible for enforcing standards and policies to enhance the quality of life in these communities.

FDMCH plans to build five Community Centers in the coming years. While under construction, temporary community management offices will be established in each neighborhood. These centers will house the property management and maintenance staff while serving as locations for community events and programs. When the new centers are complete, there will be exercise equipment, indoor playgrounds, comfortable space and meeting rooms for family, social, and family readiness group events.

PIECE OF THE ROCK PROGRAM

The "Piece of the Rock" program formalizes unit sponsorship of Army housing areas. The focus for Division Major Subordinate Commands is to foster a healthy, family living environment that includes good order, discipline, safety, and maintenance in their assigned Army Community Housing areas.

Commanders may expand their sponsorship to include local schools and community governments serving the assigned housing areas, to maintain a healthy community relations program between residents of Army Housing and the community. Sponsorship may include such activities as community parades, school programs, or other events that develop the kind of unity that encourages mutual support and assistance during unusual situations like natural disasters or deployments.

Separate Battalion commands, MEDDAC and DENTAC, are responsible for programs in Army Family Housing areas.

The Adirondacks region is known as one of the most picturesque areas in the United States.

selecting a home and understanding the Move In and Move Out process here at Fort Drum.

In order to apply for family housing, Soldiers need copies of orders and all amendments. Also needed is a copy of a marriage certificate, birth certificates of children, or a copy of a divorce decree showing custody of children.

If a female Soldier is pregnant, she will need pregnancy verification from a medical authority. Once the pregnancy is verified she can be added to the waiting list in hold status. After month seven, the female Soldier can be activated on the waiting list and offered a home. A family member who is pregnant should also provide verification in order to determine the proper home size.

If a family member is enrolled in the Exceptional Family Member Program (EFMP), you only need documentation if the family member is non-ambulatory or have a life-threatening condition. If a spouse wishes to sign for a home while the sponsor is deployed or TDY, the spouse is required to have a Special Power of Attorney (SPOA) to arrange the transportation move.

Key & Essential Personnel List

Every Soldier, in some way, is key and essential to the Army mission. They all play an important role in readiness. However, the official "Key and Essential Personnel List" means something different.

Key and Essential Personnel are defined as:

- (a) Military and civilian employees designated to key and essential positions as established by the installation commander. The duties of key and essential positions require the incumbent's immediate availability on the installation due to military necessity. Therefore, they must reside in government housing.
- (b) The designation of key and essential positions will be kept to an absolute minimum to ensure housing equity for all service members.

Housing Selection

An "area of preference" policy allows Soldiers to choose where they live. Soldiers may select or make changes concerning the area where they wish to live any time prior to an offer of a home. Soldiers are not required to select a specific area. If you do not have a preference, you will be offered the next available home that meets your qualifications.

It is strongly recommended that newly arrived Soldiers and their families get to know the areas surrounding all ACH (off-post) sites as well as FDMCH (on-post) sites. Each area has its own unique advantages, appeals and opportunities.

LeRay Mansion, located on post, is used for general officer and VIP guests billeting and special functions.

A book describing these areas is available at the Welcome Home Center in Clark Hall. Parents may find they are more comfortable with their children in a certain school district, or that they need to be close to a hospital.

Many Soldiers come to Fort Drum with the idea that the only homes they want

are those that are on-post. By only considering on-post housing, a Soldier risks waiting longer for an offer of housing. For personnel on the key and essential list, the commander mandates on-post housing, defined as those homes located on Fort Drum, LeRay Heights, Evans Mills, or the Calcium housing area. Watertown operates regularly scheduled bus routes within the city. To help Soldiers living in ACH areas with traveling to and from Fort Drum, the Directorate of Logistics provides a shuttle bus to each off-post housing site every morning and evening.

Eligibility Date Criteria

FDMCH has a three tiered priority list for housing Soldiers and their families.

Priority Class A - Key and Essential Soldiers required by the command to live on the installation have the highest priority.

Priority Class B - Soldiers arriving (PCS) to Fort Drum and Soldiers that live off-post in private housing. In addition, Soldier re-enlistments for Present Duty Assignments, newly married, rank and family size changes (which may include ACH residents).

Priority Class C - Soldiers already living in ACH government housing off of the installation.

DSN 772-8665

Bldg. 10720, Rm A2-54

Hours: Mon-Fri, 7:30 a.m. - 4 p.m.

The CHRRS can help those who would like to find a lease rental or home for sale off-post, not in government housing.

The average number of available and affordable rentals posted at CHRRS is 50. The staff can also advise about signing a lease, review the lease, and provide information about utilities and telephones. Additionally, CHRRS offers a wealth of information about purchasing a home.

Permissive TDY

To use permissive temporary duty for house hunting at Fort Drum, you must have your DA Form 31 validated at CHRRS on your arrival date. If you arrive after duty hours you must immediately have your DA 31 validated at The Inn at Fort Drum, Bldg. P-4205.

Even with validation from The Inn at Fort Drum you must report to CHRRS the next business day. If you fail to do this, you will be charged leave for the entire period. DA Form 1747 (Status of Housing Availability) is no longer required for Soldiers departing CONUS, Alaska, and Hawaii.

While on permissive TDY you cannot apply for family housing; you must be signed into the installation before you are eligible to apply.

ACH—Off-post

There are 2,000 ACH units located in the communities of Clayton, Gouverneur, Philadelphia, Carthage, West Carthage, Copenhagen, Calcium, Watertown, Evans Mills, and Lowville which are all within a 30-mile radius around Fort Drum. These units represent 155 different floor plans, which meet or exceed the minimum floor space

Counseling

Army counselors are available to support Fort Drum active-duty personnel and their adult family members, members of Reserve components supported by Fort Drum, and other services in a variety of counseling settings.

Army Personnel Testing

Army personnel testing is done through the education center's test center.

The Test of Adult Basic Education (TABE), the GT Predictor (PreGT) and the Armed Forces Classification Test (AFCT) are tests conducted at the center. They are all critical links in improving a Soldier's General Technical (GT) score. These test scores are linked to a variety of personnel actions including retention, reclassification, specialty training or pre-commissioning programs.

Nontraditional & Other Educational Opportunities

Nontraditional education opportunities supplement traditional college programs to provide flexibility. Nontraditional learning validates both academic and experiential work. Academic nontraditional work can be accomplished through certifying examination, credit-by-examination programs, or distance learning. These programs are coordinated through the education center.

HEALTH CARE

U.S. Army Medical Department Activity

The mission of the U.S. Army Medical Department Activity is to provide customer-focused, quality health care to all eligible beneficiaries and to promote and manage all aspects of health care and medical readiness to the Fort Drum community.

The MEDDAC is comprised of many different sections located in various buildings throughout Fort Drum and supports approximately 30,880 beneficiaries. Primary medical care for active-duty Soldiers is provided at the Conner Troop Medical Clinic and Aviation Troop Medical Clinic. Primary and specialty care for active-duty, family members and retirees is provided at Guthrie Ambulatory Health Care Clinic, Bldg. P-11050, on Mt. Belvedere Boulevard.

To be eligible for care at all MEDDAC facilities, beneficiaries must be enrolled in the Defense Enrollment Eligibility Reporting System (DEERS) and present a valid military ID card when signing into the clinic.

Guthrie Ambulatory Health Care Clinic offers a wide variety of outpatient services to include an Urgent Care Clinic, ambulance services, Family Practice Clinic, Specialty Clinic (which includes Podiatry, Orthopedics, Immunizations, Audiology, Obstetrics/Gynecology, Pediatrics and Physical Therapy), Pharmacy, and a Health Care Finder service. The Composite Health Care System is an advanced health care information system in place to support the activities at the clinic.

Health care delivery at Fort Drum is unique. Although the MEDDAC supports a light infantry division, it has no inpatient capabilities. Therefore, local civilian facilities, especially Samaritan Medical Center in Watertown and Carthage Area Hospital, provide most of MEDDAC's inpatient needs. The majority of MEDDAC physicians is privileged at these facilities and continues to provide care during patient hospitalization.

Fort Drum has two dental clinics for active-duty service members, as well as the dental clinic in Clark Hall for in- and out-processing.

Health Care Options

Health care options under TRICARE, the Department of Defense health care program, include:

TRICARE Prime

Active-duty military members are required to enroll into Prime and have the highest priority for care. All Prime enrollees take priority over those patients

not enrolled in the program, who are seen on a space-available basis only.

TRICARE customer-service representatives and MEDDAC personnel located at the Patient Service Center in Guthrie Ambulatory Health Care Clinic can assist with all TRICARE issues.

The Patient Service Center is located in Building P-11050 and open Mon-Fri, 7:30 a.m.-4 p.m.

TRICARE Standard

This option pays a share of the cost of covered health care services that a patient obtains from an authorized civilian health care provider. There is no enrollment in TRICARE Standard. People pay the normal TRICARE Standard deductibles for outpatient care and the cost-sharing percentages.

Pharmacy.

TRICARE Extra

With this option, patients don't have to enroll or pay an annual fee. They do have to satisfy an annual deductible for outpatient care, just as under TRICARE Standard. On a visit-by-visit basis, patients seek care from a provider who is part of the TRICARE Extra network, get a discount on services, and have reduced cost-shares-five percent less than under TRICARE Standard. Also, the patient doesn't generally have to fill out claims forms.

Patients can obtain a list of TRICARE Extra providers by contacting the TRICARE Service Center or accessing the Sierra website at www.sierramilitary.com.

DEERS

Military personnel are enrolled in the Defense Enrollment Eligibility Reporting System (DEERS) when they enter active duty. However, to enroll family members there must be legal documentation presented.

Active-duty personnel can update the status of family members by presenting such legal documents as marriage certificates, birth certificates or adoption papers at the local DEERS office located in Bldg. T-145 (ID Card Section). If this is not done, family members may be

Flu shot season.

denied health benefits, other than emergency care.

Enroll newborns on DEERS as soon as possible after birth. For more information, call 772-3103 or 772-5149.

Check DEERS data yearly to ensure information is up to date at any ID card center.

Children are eligible to receive an ID card at age 10. Unmarried children

attending an accredited educational institution on a full-time basis are eligible to retain an ID card until the age of 23.

U.S. Army Dental Activity

North Riva Ridge Dental Clinic is a 38-chair facility, ready to serve much of the 10th Mountain Division (LI). Wilcox Dental Clinic has 13 treatment rooms, while Guthrie Ambulatory Health Care Center has a dental treatment room for after-hour emergencies. In-processing is conducted at a four-chair dental clinic located within Clark Hall.

The DENTAC works to maintain the dental health and readiness of 10th Mountain Division (LI) Soldiers and other service members stationed at Fort Drum. They use the latest technology to provide high quality routine dental care to Soldiers, emergency treatment for all eligible beneficiaries, support mobilization activities, and train dental personnel for their role as part of deployed forces.

TRICARE Dental Program

The TRICARE Dental Program, (TDP), is a voluntary, comprehensive and affordable dental plan available to family members of all qualifying active-duty personnel, and to Selected Reserve and IRR members and/or their families.

Fort Drum veterinary services include pet adoption.

The TDP has cost shares, benefit maximums and coverage limitations similar to other group dental insurance plans. United Concordia Companies, Inc. administers the TDP.

Enrollment forms are available at DENTAC clinics, Army Community Service (ACS), by calling UCCI at 1-888-622-2256, and at the office of the TRICARE Health Benefits Advisor.

Veterinary Services

Bldg. T-2442

Hours: Mon-Fri, 7 a.m.-noon, & 1-4 p.m.

Pet Licensing

All dogs and cats living on Fort Drum must be registered with Fort Drum Veterinary Services. Dogs must also be registered with the State of New York. Licensing is not done at Fort Drum, but with the town clerk in the area in which the animal lives.

Pet Microchipping

Fort Drum requires mandatory microchipping for all registered privately owned cats and dogs. Registration is mandatory; owners must register their four-legged friends within 30 days of arrival.

The grain-of-rice-sized microchip is inserted via needle and syringe just under the skin between the animal's shoulder blades. The procedure of inserting the microchip is similar to receiving a vaccination and causes minimal discomfort to the animal.

There is a small fee for microchip and registration. For more information, call the Fort Drum Veterinary Clinic at 772-4262.

Pet Quarantines

If a dog or cat is involved in a bite case, the animal must be taken to Veterinary Services.

Pet Transportation

Pets leaving the Fort Drum area and going overseas must have a rabies shot no less than 30 days old, and not older than one year. A health certificate must be obtained within 10 days of departure. Check with Veterinary Services for pet quarantines overseas.

A list of Family Child Care providers located within government housing is available for those who want their child to be in a family home environment. Army Regulation 608-10 prescribes standards for health, safety and welfare of children in FCC homes, whose providers have had required training and inspections for certification.

Annual training is a prerequisite for provisional and permanent certification, and FCC homes are monitored closely and offered outreach services by FCC personnel.

Anyone who provides childcare in government-owned or leased quarters for more than 10 childcare hours a week on a regular basis must be certified (one hour of care for one unrelated child equals one childcare hour).

Many children's sports activities are available at Fort Drum, on and off post.

Community Life Program

Dedicated to improving the quality of life on Fort Drum, this program coordinates the Army Family Action Plan and the Mayor Program. The purpose is to provide formal, open lines of communication to help expedite the resolution of problems.

The mayor program consists of volunteers from each housing area who act as spokespersons and representatives for their community.

The Army Family Action Plan is an Army wide program designed to give a voice to the military community as a whole. Targeted forums on various community topics are held throughout the year, in addition to an annual installation forum. These forums help to identify and resolve issues in the Fort Drum community. Many issues can be resolved at the local level. Issues of command or Army wide interest are sent on to higher levels.

Hunting, Fishing & Trapping Licenses

Military personnel and their families, Department of Defense (DoD) civilian employees and the general public are all welcome to hunt, fish and trap on Fort Drum. Hunters, anglers and trappers must possess a valid New York State license for hunting, fishing or trapping activities as well as a Fort Drum Recreation Permit and Access Pass. Military personnel stationed at Fort Drum are considered state residents and do not have to pay non-resident license fees.

Please note: New York State hunting, fishing and trapping licenses must be purchased off-post at a local license-issuing agent.

Fort Drum Recreation Permits and Access Passes are available year-round at the Natural Resources Permit Office, Bldg. S-2509, on Route 26 between Great Bend and Wheeler-Sack Army Airfield. Call 772-HUNT (4868) or visit the Fort Drum Fish & Wildlife Management Program website (URL below) for current permit office hours of operation. Applicants must bring a photo ID and current New York state hunting, fishing or trapping license to obtain a Fort Drum Recreation Permit and Access Pass for these activities. Purchases are cash only.

Additionally, all first-time hunters, trappers and bow hunters must pass a safety and education course before they can get a license in New York State. New York will accept a hunter safety card or hunting license from most other states to fill this requirement. Courses are free-of-charge and are administered by the NYS Department of Environmental Conservation. To find a course in your county, call the regional Sportsman Education office at (315) 785-2544.

Here is the place for brochures and other information on hotels, motels, transportation, camping, parks, sightseeing, and entertainment attractions. It serves as a ticket outlet for several organizations, including world-famous Lake Placid. Staff members can also negotiate special discounts and group rates, and provide information on various travel arrangements, including cruises.

Several group trips are offered monthly through The Travel Center including visits to New York City, Atlantic City, river cruises, professional sports games, skiing and theater outings.

Seasonal offerings include discounted tickets for St. Lawrence Riverboat cruises, area amusement parks, ski resorts, and Disney World.

The Parks and Recreation program provides information about opportunities in the North Country. In addition to fishing derbies and hunting contests, Outdoor Recreation offers classes in seasonal activities. The center sells live bait and ice. Parks and Recreation is also responsible for annual garden plot rentals, recreational vehicle storage, and Remington Park.

Parks and Recreation supervises the skeet and archery range. The range is operated by volunteers and is open during regular operating hours. Targets may be purchased at the equipment checkout desk.

The Equipment Checkout Center provides a long list of rental gear to valid government identification card holders. Available equipment includes campers, boats, barbecue grills, fishing and camping equipment, and sporting equipment such as bicycles, tennis rackets and skis.

Additionally, lawn and garden equipment, including garden tillers and lawn mowers are available. A full list of rental items is available at the equipment checkout desk and on the web at www.drum.army.mil, under the Community Activities section. All rental equipment has a RecTrac Gold card discount available. Please inquire at time of reservation. Patrons may reserve certain equipment up to 60 days in advance with a deposit equal to one day's rental fee. The deposit is credited toward the total rental cost.

Parks and Recreation also oversees Remington Park, Fort Drum's premier seasonal recreation area. Situated on picturesque Remington Pond, the facility offers the post community a place to enjoy the beauty of Northern New York. The wooded park offers 4 large pavilions with barbecue grills and electricity, available for unit and group rental. Reservations may be made at 772-5169. There are also several small picnic sites for families and individuals.

The park has a playground for youngsters to enjoy, and open field area for sporting activities. A footbridge crosses one of the pond's inlets to take visitors to the new beach house, and swimming area supervised by lifeguards. Across the pond, the lodge provides a great setting for gatherings of up to 80 people. The lodge is a natural wood, A-frame building with a wraparound deck, a stone fireplace, and great kitchen facilities. Groups

or individuals wishing to rent the lodge should contact The Commons catering office at 772-6222.

Recycling

Recycling is required by New York State and local law and is also mandated by Executive Order, Federal Law, Department of Defense policy and Army Regulation. Recycling rules and procedures apply where we stand our duty, where we work, and where we live, both on and off-post. On Fort Drum, trash put out for collection that contains recyclable items will not be picked up by refuse collectors.

The current Recycling Pick-Up Schedule for on-post housing areas is available at the Refuse & Recycle Shop, Bldg. T-1142 (Tel: (315) 772-6445) and the Housing Office in Clark Hall. Those living off-post should call their county solid waste facility for recycling guidelines and schedules.

Recreation Permits & Access Passes

Military personnel and their families, DoD civilian employees and the general public are all welcome to participate in outdoor recreational activities on Fort Drum lands. Outdoor enthusiasts will find 11 lakes/ponds totaling 400 acres and 16 streams totaling 300 miles. All open water outside the Main Impact Area is available for fishing and more than 75,000 acres within the training and cantonment areas are available for hunting, trapping and other recreational activities, dependent upon current military training operations.

Activities taking place in the training area (outside the cantonment area) require a Fort Drum Recreation Permit and Access Pass. Outdoor recreational activities within the fenced-in cantonment area do not require a Recreation Permit and Access Pass except for hunting and fishing activities (see *Hunting, Fishing & Trapping License*).

Fort Drum Recreation Permits and Access Passes are available year-round at the Natural Resources Permit Office, Bldg. S-2509, on Route 26 between Great Bend and Wheeler-Sack Army Airfield. Call 772-HUNT (4868) or visit the Fort Drum Fish & Wildlife Management Program website at www.drum.army.mil/garrison/pw/FishandWild.html for current permit office hours of operation.

Main Post Chapel.

Recreation permits are required for anyone accessing the training area. Activities allowed with a Fort Drum Recreation Permit & Access Pass include:

- Fishing
- Hunting & Scouting
- Trapping
- Camping
- Wildlife Viewing
- Berry / Mushroom Picking
- Picnicking
- Hiking
- Boating (including kayaking and canoeing)
- Biking
- Horseback Riding
- Cross-Country Skiing
- Snowshoeing
- Photography
- Target shooting [see 4(a) in Regulation 420-3]
- Snowmobiling (only in Training Areas 7E, 7F, 7G)

Parks & Recreation, Bldg. P-11115, supports these activities by renting related equipment such as skis, campers, kayaks, canoes, etc.

Copies of *Fort Drum Regulation 420-3, Hunting, Fishing, Trapping and Camping* are available at the Natural Resources Permit Office, along with a guide to Angling on Fort Drum, a Birds of Fort Drum checklist, recreation maps and other useful recreational information. Visit the Natural Resources Permit Office to learn about the different species of fauna and flora native to Fort Drum. Taxidermy animal

displays and fact cards provide a wealth of information for outdoor enthusiasts of all ages.

Bldg. P-10790

A variety of leisure, developmental and sports programs are offered for pre-teens and teens. There are after-school, weekend and summer programs for everyone in grades 1-12. During the summer the center opens at noon, seven days a week. Youth must carry YS ID cards with them at all times while participating with YS.

In addition to daily games, activities, arts and crafts and other programs at the facility, there are field trips and special activities like dances, movie nights and sleepovers. The center has 18,000 square feet of programmable space that includes two lounges, a gymnasium, snack area, computer lab, and instructional classroom. There are also ball fields next to the center.

A sports division offers lessons in several skills areas, sponsors post youth teams and leagues, and serves as a liaison with a number of off-post youth sports programs. Kids of all ages participate in sport events such as gymnastics, cheerleading, midnight basketball and more.

Youth development programs include teen issue workshops, youth councils, career exploration and community projects. Summer programs range from day camp and field trips to family events and weekend tournaments.

Extracurricular activities and school-related social activities include drama, SADD (Students Against Drunk Driving), student councils character building clubs, and arts & crafts clubs. Students failing two subjects in school, however, are not allowed to participate in any club.

All youth wishing to participate in Youth Services are required to register with the program. Parents are required to come to Central Registration with the children's military identification cards and shot records to sign up for YS membership.

Central Registration is located in the Chapel Drive facility located in building P-10785 on Chapel Drive.

OFF-POST LEISURE & TRAVEL

There are four beautiful seasons in northern New York. Take advantage of all of them. North Country residents don't hibernate during the winter; instead they take advantage of one of the area's greatest natural resources. Snow and cold temperatures mean getting out for downhill and cross-country skiing, snowmobiling, ice fishing, snowshoeing, sledding and ice-skating.

Check out our local chambers of commerce to see what the North Country has to offer. Following is a list of several local chambers and some of the closest area attractions. There is a lot to see and do here—discover New York!

Adirondack Mountains

Ebenezer Emmons named the Adirondacks, a Williams College professor, in his mistaken belief that it was the name of "a well-known tribe of American Indians" who once hunted there. Actually, the word is an Iroquois term meaning "bark eaters."

The Adirondacks encompass 11,000 square miles, almost one-fourth of the

state. There are 2,500 mountains in the range, 43 of them over 4,000 feet tall. The two tallest are Mount Marcy and Algonquin Peak.

The region has about 2,800 lakes and ponds and about 1,200 miles of streams. The first forest preserve in the United States, the Adirondack Park, consists of almost 6 million acres.

NORTH COUNTRY TIDBITS

Leaf Peepers

Each fall the Empire State's forests burst out in crimson and gold. During the season, residents designated as "leaf peepers" provide information to the media about which areas are the peaks of autumn beauty, as a way of helping travelers who want to see the best foliage.

The Bronco Buster

Anyone who created sculptures and paintings of cowboys and Native Americans like Frederic Remington did must have come from the Old West, right? Wrong. Visit the artist's home and museum in Ogdensburg, 50 miles away on the St. Lawrence River.

Scuba Divers Take Note

You won't find coral reefs, but plenty of historic shipwrecks can be seen by adventuresome divers in the waters of Lake Ontario and the St. Lawrence River, many just offshore from the city of Ogdensburg.

Boldt Castle in Alexandria Bay, in the heart of the Thousand Islands.

Bridge to Canada.

Canada

If you'd like to go international, Fort Drum is an ideal place to start from—Canada's right across the Thousand Islands International Bridge.

Some cities to see:

Kingston - The city at the mouth of the St. Lawrence is a short drive west. Visit the home of Queens University, Old Fort Henry, and shopping with an international flavor.

Ottawa - Canada's capital is two hours away, with Winterlude and Tulip festivals, majestic Parliament buildings, and the family-oriented National Museum of Science and Technology.

Montreal - Jacques Cartier and Samuel de Champlain are more than names in history books here; stroll 16th century Vieux (Old) Montreal, watch the Expos and Canadians, visit world-renowned museums, site of Summer Olympics 1976.

Quebec City - Fluency in French helps but is not necessary, in this beautiful city of Old World stores and restaurants. Great forests and provincial parks lie outside the city limits.

Toronto - From the top of the Canadian National Tower-largest tower of its type in the world-look out at the city with its over-5, 500 restaurants. This modern metropolis is the home of sports teams the Maple Leafs, Blue Jays, Raptors, and Argonauts. Stroll past exhibits at the Royal Ontario Museum,

or hit the links in an area with more golf courses per capita than anywhere in North America.

Thousand Islands

There are actually 1,753 small-to-tiny islands dotting the St. Lawrence River between Oswego and Massena, hence the name Thousand Islands. This is the area where the St. Lawrence River and Lake Ontario join. The river also separates the United States from Canada. Control of the St. Lawrence River was important during the War of 1812.

Carthage Park

Summer hours:

mid-June to end of August

9 a.m.-9 p.m.

Park building, fields and playground.

Fall/Winter/Spring: Dependent upon weather conditions for the skating rink. The hill is open daily for sledding and tubing; however, the park building is not on a fixed schedule during these seasons. The park is closed from 10 p.m. to 7 a.m.

It is a perfect place for family picnics, trail walking, pet walking, and children will enjoy Kid's World Playground.

The ball fields host many of the local softball and baseball teams. Tennis courts are also available.

The park building is offered for picnics, parties, company or military events and much more. For more information, call 493-2346.

For more information on Carthage events, call the Carthage Area Chamber of Commerce, 493-3480.

Dry Hill Ski Area

(315) 782-8584

(except Thanksgiving, Christmas and New Year's Day.)

Closing: April - October at 5 p.m.;
October - April at 4 p.m.

Admission: \$6 adult, \$4 senior, \$3 child
(age 3 - 12), FREE children 2 & under.
Group rates available.

The Zoo is located in historic Thompson Park, which was designed by the sons of Frederick Law Olmstead, the "father of landscape architecture," who

designed Central Park in New York City. The park also includes a large playground, tennis courts, swimming pool and 18-hole golf course.

Discover the only Zoo in the world dedicated to New York's wild animals and wild places. Get nose to nose with black

bears, watch the playful antics of rare wolverines, climb a real Adirondack Fire Tower. You will enjoy feeding baby animals in the Children's Farm (summer only), peering into a live beehive and exploring the 'please touch' table in the Discovery Center.

Explore an interest in wild things and wild places by becoming a Volunteer and/or Docent. We provide a fun, safe environment that is always changing. There are tasks for all talents. Examples include carpentry, handyman, office help, construction, special events, gardening, greeting visitors and more.

A visit to the toy workshop is a must at Santa's Workshop, located in Wilmington, near Lake Placid in the Adirondack Mountains.

ARE HALLS OF FAME YOUR THING?

New York has several:

- National Baseball Hall of Fame in Cooperstown
- National Women's Hall of Fame in Seneca Falls, on the Finger Lakes
- National Soccer Hall of Fame in the Southern Tier city of Oneonta
- Fiddlers' Hall of Fame in Osceola, on the Tug Hill Plateau

North Country families have served the country for several generations. One from Watertown includes:

- John Watson Foster, Secretary of State under President Benjamin Harrison.
- Robert Lansing, Secretary of State under President Woodrow Wilson
- John Foster Dulles, Secretary of State under President Dwight D. Eisenhower.
- Allen Dulles, his brother, head of the CIA under Eisenhower.
- Eleanor Lansing Dulles, their sister, diplomat to post-World War II Austria and Germany.
- The Rev. Dr. Allen Macy Dulles, longtime pastor, 1st Presbyterian Church, Watertown.
- The Rev. Avery Dulles, in 2001 became first U.S. theologian named to the College of Cardinals of the Roman Catholic Church.

Like Dulles International Airport in Washington, D.C., the Dulles State Office Building in Watertown honors this dedicated North Country family.

HISTORY

The land area on which the Fort Drum military reservation is currently located has been used as a military training site since 1907.

In 1908, Brigadier General Frederick Dent Grant, son of General Ulysses S. Grant was sent here with 2,000 regulars and 8,000 militia. He found Pine Plains to be an ideal place to train troops. The following year, money was allocated to purchase the land, and summer training continued here through the years.

The camp's first introduction to the national spotlight came in 1935 when the largest peacetime maneuvers were held on Pine Plains and surrounding farmlands. Thirty-six thousand, five hundred Soldiers came from throughout the Northeast to take part in the exercise.

Some Soldiers traveled by trains that arrived in town every 15 minutes, coming from as far away as Buffalo and New York City. For 36 hours, young men from offices, factories and farms marched, attacked and defended in tactical exercises on the 100 miles the Army had leased for its war games. The maneuvers were judged to be most successful and the War Department purchased another 9,000 acres of land.

With the outbreak of World War II, the area known as Pine Camp was selected for a major expansion, and an additional 75,000 acres of land was purchased. Eight hundred buildings were constructed: 240 barracks, 84 mess halls, 86 storehouses, 58 warehouses, 27 officers' quarters, 22 headquarters buildings, and 99 recreational buildings as well as guardhouses and a hospital.

Construction workers paid the price, as the winter of 1941-42 was one of the coldest in North Country history. The three divisions to train at Pine Camp were General George S. Patton's 4th Armored Division (General Creighton Abrams was a battalion commander here at the time), the 45th Infantry Division and the 5th Armored Division. The post also served as a prisoner of war camp.

Pine Camp became Camp Drum in 1951, named after Lt. Gen. Hugh A. Drum, who commanded the First Army during World War II. During and after the Korean Conflict, a number of units were stationed and trained here to take advantage of the terrain and climate.

The post was designated Fort Drum in 1974 and a permanent garrison was assigned. In April 1980, B Company, 76th Engineer Battalion (Combat Heavy) was reassigned here from Fort Meade, Md. The rest of the battalion, less Company D, followed it three years later.

In January 1984, the Department of the Army announced it was studying selected Army posts to house a new light infantry division. On September 11, 1984, the announcement was made that Fort Drum would be the new home of the 10th Light Infantry Division.

The first division troops arrived at Fort Drum on December 3, 1984, and the unit was officially activated on February 13, 1985. The name was changed to the 10th Mountain Division (Light Infantry) at that time.

The division reached full strength in 1989. Between 1986 and 1992, 130 new buildings, 35 miles of roads, and 4,272 sets of family housing units were built on post.

Soldiers bow their heads in a moment of silence at the Rapid Deployment Facility before they start their journey to the Middle East.

Today, the 10th Mountain Division (LI) is expanding once again under Army Transformation. A third brigade was added to the division and Fort Drum in

2004, and a fourth brigade to 10th Mountain Division is also housed at Fort Polk, La. Fort Drum is undergoing major construction and reorganization as this book goes to press.

The 10th Mountain Division (LI) has deployed in every major operation the Army has participated in since the early 1990's. These include, but are not limited to the following: operations Desert Shield/Storm 1990-1991; Hurricane Andrew Relief 1992; Operation Restore Hope in Somalia 1992-1994; Operation Continue Hope, 1993-1994; Operation Uphold Democracy in Haiti 1994-1995; Operation Joint Guard in Bosnia 1997; Task Force Eagle in Bosnia and Herzegovina 1998-2000; Operation Enduring Freedom in Uzbekistan and Afghanistan 2001-2002; Operation Noble Eagle in the United States after Sept. 11, 2001; Operation Enduring Freedom 2001; Operation Enduring Freedom IV/Operation Iraqi Freedom 2003-2004. The division continues to support operations in Afghanistan and Iraq and continues to play an important role in the Global War on Terrorism.

10th Mountain Division (Light Infantry) Units

The 10th Mountain Division (LI) has undergone Army Transformation, transforming into a modular force consisting of units of employment and units of action. The division now consists of four infantry brigade combat teams, support elements, and aviation assets.

The current configuration of the division includes a Unit of Employment (UEX) and Special Troops Battalion, which are the division headquarters and its support element. There are three infantry brigade combat teams here at Fort Drum and one located in Fort Polk, La.

First Infantry Brigade Combat Team includes Brigade Headquarters; 1st Battalion, 87th Infantry Regiment; 2nd Battalion, 22nd Infantry Regiment; 1-71 Reconnaissance Surveillance Target Acquisition (RSTA) Squadron; 3-6 Field Artillery; 10th Brigade Support Battalion; and 1st Brigade Special Troops Battalion.

Second Infantry Brigade Combat Team includes Brigade Headquarters; 2nd Battalion, 14th Infantry Regiment; 4th Battalion, 31st Infantry Regiment;

10th Mountain Division (Light Infantry) Soldiers in northern Iraq.

2-71 RSTA Squadron; 2-15 Field Artillery; and 210th Brigade Support Battalion; and 2nd Brigade Special Troops Battalion.

Third Infantry Brigade Combat Team includes Brigade Headquarters; 1st Battalion, 32nd Infantry Regiment; 2nd Battalion, 87th Infantry Regiment; 3-71 RSTA Squadron; 4-25 Field Artillery;

710th Brigade Support Battalion; and 3rd Brigade Special Troops Battalion.

Aviation Brigade at Fort Drum is transforming to a Multifunctional Aviation Brigade (MFAB). The brigade currently consists of a Brigade Headquarters; 3-17 Cavalry Regiment; 1-10 Aviation Regiment; 2-10 RSTA Battalion; 3-10th General Support Aviation Battalion; and 277th Aviation Support Battalion.

The **10th Support Brigade** "Muleskinners" includes 10th Support Brigade Troops Battalion; 10th Soldier Support Battalion; and 548th Corps Support Battalion; and 10th Military Police Battalion (Provisional). The 10th MP Battalion will become 91st MP Battalion in late 2005.

Fourth Infantry Brigade Combat Team, located at Fort Polk, includes Brigade Headquarters; 2nd Battalion, 4th Infantry Regiment; 2nd Battalion, 30th Infantry Regiment; 3rd Squadron, 89th Regiment; 5th Battalion, 25th Field Artillery; 94th Brigade Support Battalion; and 4th Brigade Special Troops Battalion.

GARRISON LABOR-MANAGEMENT PARTNERSHIP COUNCIL

Fort Drum's Garrison Partnership Council consists of union and management representatives who work together through open communication and shared interests, to support mission accomplishment while maintaining quality working conditions.

This partnership results in a uniquely positive outlook and motivation to contribute to the accomplishment of the team's goals and objectives. Although not every organization has a member on the council, the interests of all activities and employees are represented. Any Fort Drum manager or employee may submit matters to the council. The council meets each month, with subgroups meeting as needed on specific issues.

The following currently have representatives on the council:

Directorate of Emergency Services:

The agencies responsible for conducting law enforcement, force protection, fire prevention and protection, and physical security operations for the installation. Their objective is to provide the community with a safe and secure place to live and work. The 911 Communications Center is responsible for dispatching police, fire and emergency medical personnel. Bldg. P-10715.

Directorate of Information Management: Provides advice and support to

Fort Drum and the 10th Mountain Division (LI) in the areas of telecommunications, information systems and administrative services. This includes providing power projection, command, control, communications and computer support for contingency missions, exercises and emergency operations.

Members manage, maintain and improve the existing information infrastructure, and provide long-range planning for future requirements, as well as responding to missions, exercises and emergency operations. Bldg. 10690.

Directorate of Logistics: Includes the Office of the Director, Supply and Services, Material Maintenance, and Transportation. Responsible for direct program management of the three divisions, and provides advice to the commander on all logistics matters. Functions include ammunition quality assurance for the installation, logistics automation support, annual training, budget, personnel, activity based costing and security.

The Supply and Services Division is responsible for day-to-day operations of ammunition, food, petroleum, oils and lubricants, organizational clothing and equipment, installation property management, hazardous materials and installation retail supply i.e. Army inventory held for issue/sale.

The Material Maintenance Division provides a full range of repair services for both air and ground equipment. A government-owned, contractor-operated oil analysis program services an 11-state region. The MMD plays a major role in the force modernization and modification work order programs.

Key functions of the Transportation Division include unit movement by air, land and sea, as well as freight, in-transit warehouse (central receiving), personnel movements/port calls, motor transport/fleet management, personal property shipping (household goods), and the departure/arrival airfield control group.

On their way.

Directorate of Morale, Welfare and Recreation: Sustains readiness by providing quality recreation, community and family programs that meet or exceed customer expectations. These functions include, but are not limited to, managing the AFTB, ACAP, Drug and Alcohol, and family support programs for the installation. Clark Hall.

Directorate of Plans, Training and Mobilization: Responsibilities cover a wide range of operations across Fort

Drum, from the air control tower at Wheeler-Sack Army Airfield to the Historical Collection, including both day-to-day training and one-time operations. Staff members advise and help the garrison commander in coordinating, defining and executing the installation's missions, among them military operations, Reserve support, non-divisional units training support and education services.

The center also deals with mobilization and deployment, aviation operations, and the allocation of resources. Further, members maintain the Emergency Operations Center 24/7, and maintain the post historical collection and battle simulation center. Bldg. P-10000.

Directorate of Public Works: Advises the garrison commander and acts on all engineer matters for housing, maintenance, environmental issues, energy conservation, repair of real property facilities, operation and maintenance of utility systems, and construction for the installation. Bldg. T-85.

Directorate of Resource Management: Coordinates, recommends, and provides professional management on use of the installation's resources in terms of dollars and manpower. This includes program and budget analysis, formulation, execution and control. Bldg. P-10000.

FORT DRUM TIDBITS

Fort Drum's roads offer a quick history lesson in the North Country, the post and the 10th Mountain Division (LI).

Mount Belvedere Blvd.: The 10th Mountain Division's first action in World War II took place in the North Apennine Mountains of Italy. The division faced German positions arrayed along the 5-mile-long Mount Belvedere-Monte Della Torraccia ridge. After more than three weeks of fighting, the key heights were successfully captured, but not until another three-day assault that cost the division 195 lives.

Riva Ridge: A 1,500-foot ridgeline of the Mount Belvedere range held by German forces until a surprise, nighttime ascent of its vertical heights by the 1st Battalion and Co F, 2nd Battalion, 87th Infantry, of the 10th Mountain Division.

Po Valley Road: In the final phase of the war in Italy, the 85th and 87th battalions spearheaded a 5th Army drive up the Po Valley. After finally crossing the Po River to reach Lake Garda at the foothills of the Alps, the successful operation cut off the retreating German troops, ending organized resistance in Italy on May 2, 1945. Lake Garda Lane also commemorates this WWII action.

4th Armored Division Drive: Preparing for battle under the 3rd Army in the European Theater of Operations, this famous division was activated and trained with its commander, General George C. Patton, at Fort Drum for 17 months during 1941-42. The division played a heroic role in rescuing the trapped 101st Airborne Division during the Battle of the Bulge.

5th Armored Division Drive: Trained at Pine Camp in 1943, this military juggernaut helped out on local North Country farms before deploying to Europe, where it made the first penetration of German soil and the initial breach of the Siegfried Line.

Conway Road: The Conway family once operated a farm on land that is now part of Fort Drum.

Nash Boulevard: Colonel William L. Nash, a World War II veteran, was commander of Camp Drum from November 1957-August 1959. The roadway was previously known as Jefferson Blvd. for U.S. President Thomas Jefferson, for whom Jefferson County is also named.

LeRay Drive: James LeRay de Chaumont has been called the "Father of the North Country." He accepted large tracts of land in the northern part of New York State as payment for Revolutionary War debts, and encouraged settlers, among them Joseph Bonaparte, brother of Emperor Napoleon Bonaparte. The handsome LeRay Mansion was built from 1806 to 1808, has served as commander's quarters and VIP quarters by the military, and is listed on the National Register of Historic Places.

HISTORICAL MILITARY NAMES LINKED TO THE NORTH COUNTRY

Major General Jacob Brown — Military leader during the War of 1812 and first settler of Brownville, Jefferson County.

Historical Collection

The Fort Drum & 10th Mountain Division Historical Collection was dedicated in its present location, Bldg T-503, Nash Boulevard on Fort Drum's south post, Sept. 11, 1998. This "museum activity" is a recognized member of the U.S. Army Museum System.

The scope of interest of the Historical Collection is the history of Fort Drum as a military installation, and the history of the 10th Mountain Division and other units affiliated with the history of the installation.

The New York National Guard has a training relationship with this installation dating back to the earliest documented use of these grounds for large-scale military maneuvers, Camp Hughes, in 1907. Numerous National Guard divisions (26th, 27th, 28th, 29th, 42nd) from New England and Middle States have trained at this installation since the first decade of the 19th century. The area known as old post was constructed in a 10-month project starting in October 1940. Pine Camp,

as the install-action was previously known, was the birthplace of the famous 4th Armored Division, in April 1941. In addition to the National Guard, active army airborne divisions (the 11th, 82nd, and 101st) trained at Camp Drum between the late 1940s and mid 1970s.

The Historical Collection has indoor exhibits in Bldg T-503 to include: uniforms, weapons, photos, documents, and other artifacts related to the installation history, or representative of the 20th century U.S. Army. On the grounds adjacent to the Historical Collection, visitors can view a variety of U.S. Army military vehicles and equipment representative of that used in training at this installation since 1941. Three examples of Soviet equipment are also on display, dating back to Desert Storm.

Many pieces of equipment are on outdoor exhibit and include: a "Cobra" attack helicopter, Soviet MTLB armored personnel carrier, WW II-era Sherman and Stuart tanks, an M-109 self-propelled artillery piece, an a WW II-era M-29 "Weasel" tracked cargo vehicle.

Entry to the Historical Collection is free; however, given the current state of installation security, entry onto the installation itself is restricted. Donations of historical items are welcome, through prior coordination with the curator.

The Fort Drum & 10th Mountain Division Historical Collection is open to the public Tues-Fri, 9 a.m. to 4:30 p.m. Visitors are urged to call to verify access before traveling to visit the Historical Collection. Contact James D. Neville, Curator, (315) 772-9007; nevillej@drum.army.mil.
